There really isn't any "important information" in this window, so please click Next.

🔀 Setup - Bible Ministries ver	sion 3.20 — 🗆 🗙	۱۲ +h
	Completing the Bible Ministries Setup Wizard	in
	Setup has finished installing Bible Ministries on your computer. The application may be launched by selecting the installed shortcuts.	CI
	Click Finish to exit Setup.	
	< Back Finish	

This screen lets you know that you successfully installed the collection. It has also placed an uninstaller program in the Bible Ministries folder.

Click Finish to complete the installation.

This will open a window in your default browser, which will look similar to the image below.

Now it's time to enjoy exploring all of the great information contained in this collection of Bible study materials.

Any time you want to access the material in the Bible Ministries collection, press the Windows key on your computer's keyboard, which will bring up your PC's Start Menu. Scroll down to where you see the Bible Ministries icon. Click on it.

P.S. Don't forget to install the phraSEarch™ application also included on the disc or website.
